

INF-2900 Overview

Weihai Yu, Gunnar Hartvigsen, Ståle Walderhaug
Eric Brattli and David Kristoffersen

07 January 2020

Software Engineering

- software
- software process
- process models

Agile

- manifesto (2001)
 - Individuals and interactions over processes and tools
 - Working software over comprehensive documentation
 - Customer collaboration over contract negotiation
 - Responding to change over following a plan
- practice
 - constant feedback
 - * product, design, progress, correctness
 - iterations, incremental, time-boxed
 - testing, specification
 - user stories
 - planning, estimation

INF-2900 and other courses

Earlier courses	INF-2900
small solo well-specified little test school	large team to be specified a lot of test industry

Project
